

PCP/PT: Install error: NO CONNECTION STRING

This procedure will allow Price Card Pro or PriceTag to install correctly should the below exception pop-up while installing:

Error:

Open the folder:

C:\Program Files (x86)\CardExchange Solutions\PriceCardPro

Find the file: **CardExchange.PriceCardPro.exe.config**

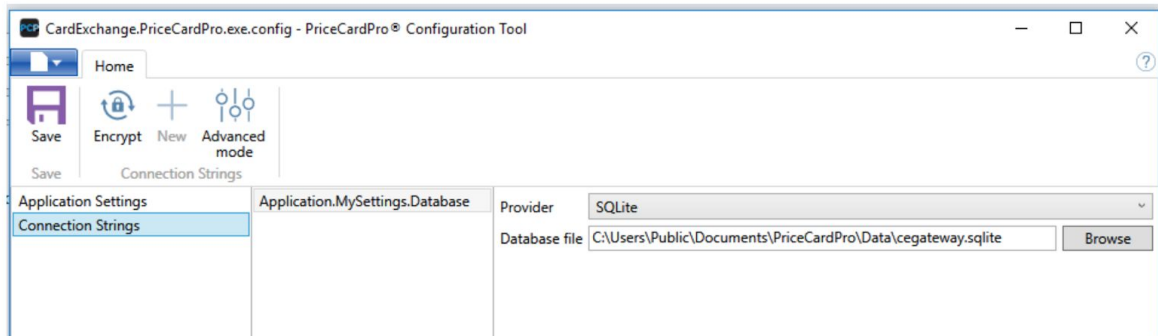

and drag and drop this file onto: **PriceCardPro.Config.exe**.

 CardExchange.PriceCardPro.exe.aservrc	31.08.2017 19:09	ASERVRC-Datei
 CardExchange.PriceCardPro.exe.config	10.11.2017 10:37	CONFIG-Datei
 cc3260mt.dll	21.09.2005 14:24	Anwendungserwe...
 PriceCardPro.cnm	02.10.2017 19:37	
 PriceCardPro.Config.exe	08.11.2017 18:53	

A window should open (below).

Check the path of the database. It should read:

C:\Users\Public\Documents\PriceCardPro\cegateway.sqlite

This will work for PT also.
