

APRIL**ACTION PLAN**

With six months to go until Natasha's Law comes into effect, it's time to start creating an action plan for your business.

MAY**RESEARCH**

Find out how Natasha's Law applies to your business, and begin to plan what changes you may need to make in order to comply.

JUNE**KNOW YOUR PRODUCTS**

Consider whether you have all the information that you need when it comes to your products and ingredients. Speak to your suppliers to clarify if necessary.

JULY**CHOOSE A SOLUTION**

It's time to find a solution to put in place so that you can produce compliant labels for your products. Speak to our experts to discuss a solution tailored to your needs.

AUGUST**TRIAL RUN**

Trialling your solution before October is essential. You need to make sure that it's going to work efficiently and effectively. You should also use this as an opportunity to brief and train your staff on the new law if you haven't already.

SEPTEMBER**FINAL PREPARATIONS**

Natasha's Law comes into effect next month, so by now you should have a solution set up and in place to produce compliant food labelling. Your staff should all be aware of the new law, and trained in how to ensure compliance.

OCTOBER**NATASHA'S LAW IN EFFECT**
